Profile

Alex Bateman joined Stiles Harold Williams in February 2014 with a wide-ranging skills and knowledge of both planning applications and policy. His expertise covers Surrey, Sussex and Kent with a particular emphasis on rural development including the re-use of agricultural buildings, Green Belts and heritage assets.

Alex previously completed a RTPI accredited Masters Degree in Spatial Planning from Oxford Brookes University and became a full member of the RTPI in July 2011.

He has a total of 8 years' experience in town planning, 6 of which relate to planning applications and policy representations within the southeast covering rural matters, the remaining 2 years dealing with planning matters from an urban perspective for a national house builder. Before joining the company, Alex worked as Senior Planner for Strutt & Parker managing his own case load and clients on a wide range of projects.

Project Experience

Alex has been involved in a wide number of projects for a diverse range of clients. Alex manages a large caseload of ranging from small to large scale.

Alex has a range of expertise in dealing with planning applications throughout the South-East. He has considerable experience in a wide variety of schemes including the residential re-use of agricultural buildings, Green Belt development, changes of use, heritage assets and Certificates of Lawfulness. He has also submitted numerous Planning Policy representations with a particular emphasis on residential land allocations and Community Infrastructure Levy Charging Schedules.

In addition to the above, Alex has experience in the following:

- Working in multi-disciplinary professional environments.
- Project Management
- Preparation, submission and management of planning applications.
- Attending and speaking at Planning Committee.
- Submitting Certificates of Lawfulness applications for the removal of agricultural restrictions.
- Submission of planning appeals, including the preparation of written representation and hearing statements as well as accompanying inspectors on site visits and representing clients at hearings.
- A sound grasp of the main procedural processes of the planning system, including the National Planning Policy Framework and General Permitted Development Order.
- Making third party representations in respect of planning applications and appeals.
- Making third party representations on emerging Local Planning Policy.
