Profile

Julia Mitchell joined Stiles Harold Williams in August 2017, with over four years of town planning experience. Her expertise includes advising clients on a wide range of planning matters, preparing planning applications, prior notifications, certificates of lawfulness, and liaising with local planning authorities throughout Sussex, Kent, Surrey and Hampshire on her clients' behalf.

Julia previously completed an undergraduate degree in Real Estate Management at Oxford Brookes, before completing a Masters Degree in Town Planning at the University of Brighton, which she completed in 2013.

Before joining Stiles Harold Williams, Julia worked for four years at Strutt & Parker, gaining her professional qualification accreditation and progressing from graduate Planner to Planner. She became increasingly responsible for clients and managed her own workload whilst assisting senior colleagues. Prior to this she worked part time at Parker Dann Ltd whilst studying her MSc.

Project Experience

Julia has worked on a wide range of projects from small scale agricultural prior notifications to major residential development schemes. She has specialised in advising rural estates on residential, commercial, agricultural and tourism related development opportunities in both the short and long term.

Julia has successful project experience in the following areas:

- Preparation, submission and management of planning applications
- Preparation, submission and management of Prior Notifications, Certificates of Lawfulness and outline planning applications
- Advice regarding Listed buildings and heritage assets, and the preparation, submission and management of Listed Building Consent applications
- Attending and speaking at planning committee
- Advice regarding rural diversification planning matters
- Planning appraisals to advise on the options available to secure planning consent where relevant
- Interpreting and applying planning policies contained in local Development Plans (including Neighbourhood Plans), and national planning policies
- Promoting sites through the planning system, and making representations to the relevant authority
