Profile

I began working for SHW in November 2013 and supported all departments for the first 9 months, gaining experience in Retail, Office and Industrial Agency, as well as Property Management and Building Surveying.

Following this, I spent some time working with Emma Hards in Office Agency, assisting in marketing and letting office space in East Sussex, mainly Brighton and Hove. I also continued to work with Industrial Agency where needed.

From September 2014, I started working solely with Building Consultancy in Brighton, the discipline I realised I was most interested in and where I want to develop my career.

I am currently preparing to sit my APC and become a Chartered Surveyor with RICS.

Employment History with SHW

Joined November 2013

Worked with all departments until September 2014

Joined Building Consultancy in September 2014

Date: March 2017©
