Profile

Richard Stapleton has over 35 years' experience with Stiles Harold Williams and is the Company Chairman. Engaged in a wide variety of projects giving valuation, planning and asset management advice, he has extensive experience of the leisure industry and is Surveyor to The Whitgift Foundation. Richard is frequently instructed to give expert evidence in planning inquiries and litigation. Richard is Chairman of the Estates Committee of the Lancing College Board of Governors.

Project Experience

Over the last 20 years Richard has been involved in advising major clients on various aspects of asset management with regard to specific projects as well as company wide strategies. Specifically he has regularly been involved in town planning and procurement related projects giving evidence at public enquires and reporting to main Boards. Although his clients are primarily property related companies, he has also advised companies involved in education and leisure as well as local authorities and Statutory Undertakers.

Employment History with SHW

Over the last 35 years Richard has been successively:
