Profile

Ryan Carson is a Chartered Building Surveyor and professional member of the Royal Institution of Chartered Surveyors.

Ryan is a Partner and regional head of Brighton Building Consultancy Division, and has been with the firm since 2005. Ryan is responsible for developing Building Consultancy services within the South Coast Region.

Project Experience

Ryan has experience in all core building surveying services on a variety of commercial and residential properties. Specialist fields have been established in the project management and contract administration of new build, refurbishments, and maintenance contracts. Ryan also has extensive knowledge with dilapidations matters acting for both Landlords and Tenants.

Ryan is the account manager for a number of key clients. Clients include investment funds, financial institutions, retail & leisure companies, management companies, individual landlords and tenants, and private clients. Instructions continue to be undertaken for clients including:

- Architectural Design
- Building Surveys
- Contract Administration
- Defect Analysis
- Development Monitoring
- Dilapidations
- Employer's Agent
- Measured Surveys
- New Construction Schemes
- Party Wall Issues
- Planned Maintenance Advice
- Pre-Acquisition reports
- Project Management
- Refurbishment Works
- Reinstatement Cost Assessment
